## 14th Annual Bottle Auction

### NEVER HEARD OF A BOTTLE AUCTION???????

The NAPMW-Austin Bottle Auction is the largest fundraising event of the year for our association. It helps fund our efforts to provide education to the Austin Mortgage Community. Your ticket pays for your entrance into the event and the dinner buffet. There is also a cash bar.

Bottles are donated from local companies with gift certificates attached. Bottles come in all shapes and sizes and may not even be a bottle. Past gifts have included trips to day spas, rounds of golf, stays at a Bed and Breakfast or Hotel, hot air balloon rides, dinner and a horse-drawn carriage ride, cold hard cash, tickets to operas and plays, and gift certificates to area department stores and local restaurants. Plus a whole lot more!

Before the Auction, the bottles are judged by the attendees. The four winners are announced at the Auction. The bottles are then auctioned off, but there's a catch....Bidders do not know what gift is attached until after the bottle has been purchased. It's a great networking event to see old industry friends and meet new ones!

### HOW CAN YOU AND YOUR COMPANY GET INVOLVED??????

There are four ways to get involved:

**Donate a Bottle** - The bottle must be at least \$75 in value (excluding the bottle) for the Silent Auction or \$125 in value (excluding the bottle) for the Live Auction. Those who donate their bottle to the Live Auction are given the opportunity to "model your bottle" that evening to the highest bidder!

**Donate an Opportunity** - We will be selling opportunity tickets for these items to be raffled off during the evening. Opportunities need to be at least \$20 in value.

**Be a Table Sponsor** - Bring the whole office or your best clients! There are six people to a table and can be purchased for \$175.

**Come to the Event** - Buy an individual ticket for \$35 and join us for the fun!

*That's not it!*

It's also VIP Night! Bring your Employer! NAPMW-Austin recognizes Employer of the Year and Corporate Sponsor of the Year at this event.
